EB-680Wi

DATASHEET

Advanced interactive teaching solution, displaying HD-ready content for enhanced learning on a large scalable screen size of up to 100 inches.

Finger-touch and dual pen capability give this projector ultimate interactivity. With a brightness of 3,200 lumens and HD-ready WXGA resolution, the EB-680Wi's ultra-short-throw design allows you to present large images from a very short distance with minimised shadows and glare. A 14,000:1 contrast ratio and HDMI input mean that students benefit from sharp, clear images.

High brightness and image quality

Epson's 3LCD technology ensures high-quality images with equally high White and Colour Light Output for vivid colours and bright images, even in daylight, and three times brighter colours than competitive projectors¹. With a scalable display size of up to 100 inches, two types of content can be displayed using the split-screen without compromising on quality.

Finger-touch and dual pen

Use your fingers to annotate directly onto the screen. Epson's interactive pens are now even more responsive and easy to use. With the new dual pens, teacher and student or two students can work simultaneously using different attributes.

Highly reliable

Project for longer with improved reliability and a longer lamp life of up to 10,000 hours in eco mode.

Interact and enhance learning

Multi-PC projection software allows teachers and students to share content simultaneously. The moderator function allows teachers to remain in control, choosing what content to display. Combine two projectors to create one large interactive display. Split-screen capability allows teachers to display two separate types of content simultaneously, such as a lesson plan from a PC and a still image or video clip from a document camera.

KEY FEATURES

- Up to 100-inch display and outstanding quality
 HD-ready WXGA resolution with Epson 3LCD technology
- Finger-touch and dual pen
 Use your fingers to annotate directly onto the screen
- Highly Reliable Improved reliability and a longer lamp life
- Multi-screen interactivity
 Combine two projectors to create one large interactive display
- Wireless Connectivity (Optional)
 Allows content to be shown from a range of devices

PRODUCT SPECIFICATIONS

EB-680Wi

WHAT'S IN THE BOX

- Interactive pens
- Power cable
- Remote control incl. batteries
- SMART Notebook software entitlement booklet
- USB cable
- Finger touch unit
- Pen tray
- Quick Start Guide
- Wall mounting bracket
- Warranty card
- User Manual (CD-ROM)

OPTIONAL ACCESSORIES

- Active Speakers (2 x 15W) ELPSP02 V12H467040
- Control and Connection Box ELPCB02 V12H614040
- Interactive Pen ELPPN05A Orange EB-6xxWi/Ui / 14xxUi
 V12H773010
- Interactive Pen ELPPN05B Blue EB-6xxWi/Ui / 14xxUi V12H774010
- Wireless LAN Adapter ELPAP10
 V12H731P01
- Replacement Pen Tip ELPPS03 (Teflon) V12H775010
- Replacement Pen Tip ELPPS04 (Felt) V12H776010
- Ceiling Mount (White) ELPMB23 V12H003B23
- Table Mount for Ultra-short-throw Series ELPMB29 V12H516040

1. - Colour Brightness (Colour Light Output) measured in accordance with IDMS 15.4. Colour Brightness will vary depending on usage conditions. Leading Epson 3LCD business and education projectors compared to leading one-chip DLP projectors, based on NPD data for June 2013 through May 2014 and PMA Research data for Q1 through Q3

2013. For more information please visit www.epson.eu/CLO 2. - iProjection App available on Android and iOS

devices, and Google Chromebooks.
